Republican Hosts Swinging Full Dinner Pails Parade In Chicago.

SOUND MONEY PAGEANT

Elephants Head Line and Hundreds of Original Ideas In Floats and Banners.

OVER 100,000 MEN IN LINE

Chicago, Oct. 27.—Swinging full dinner pails in unison with two steps played in ragtime, 100,000 men marched today in testimony of their belief in the gold standard. Millionaire employers kept step with day laborers. Real live elephants, typical of republican power and strength, bands, old soldiers, veterans of a more recent war, republican marching clubs, business men, professional men, politicians, college students, uniformed marching clubs, automobiles, floats—all joined in the mighty demonstration.

Chicago and Cook county furnished their thousands for the army of marchers and outside towns had their representatives in line. Pittsburg sent 250 men from the Americus club; there was a contingent from Kenosha, Wis., and Illinois was represented by marchers from Peoria, Galesburg, Monticello, and DeKalb.

Democrats Viewed the Line.

Democrats were in evidence, too. Orders had gone out from every organization man to be on hand today to ridicule the parade. They grouped themselves at various points along the line of march and hooted and gave catcalls in derision of the demonstration and the marchers. They yelled for Bryan and were as noisy as possible.

It was the original intention of the marchers to carry empty dinner-pails. Then when the number of the men who decided to march began to climb toward the 100,000 mark, the paraders decided to fill their pails before they started, for they thought they might get hungry before they reached the end.

Senator Cullom and Senator Mason rode in the parade in cariages. Senator Hanna, Graeme Stewart, Henry C. Hedges, Harry C. New, Perry S. Heath, Henry C. Payne and others reveiwed the parade from the Grand Pacific hotel.

Parade Started at 10 O'clock.

The parade started at ten o'clock. The banks, the board of trade, the stock exchange and many of the business houses were closed.

Veterans of the Spanish-American war led the fourth or uniformed division under the command of "Major General Billy" Lorimer. They formed for the parade at Michigan avenue and VanBuren street at 10 o'clock. The dry goods commission men formed at Jackson boulevard and Franklin street.

All down-town streets were packed with a demonstrative and enthusiastic crowd. The jam exceeded anything ever seen in this city. Extra police guarded every point and so far there have been no disturbances.

REPAIRING TRACK SCALES.

Milwaukee Road Putting Side Tracks in Good Condition.

The C. M. & St. P. road have been putting in and repairing the set of track scales in front of the Ford Mill. Some time ago the switch engine broke the scales in such a manner that it was impossible to use them, so the company had them repaired. Supt. Eldridge was here this morning looking over the tracks in the alley near the Ford and Blodgett mills. The track there is in a bad condition and needs repairing. The track has never been just right since the C. & N. W. and the St. Paul had their fight over the crossing on River street.

FLEES OVER SHIP'S SIDE.

Countess Eludes Her Husband After a Leap to a Tugboat.

New York, Oct. 27.—Fleeing from her husband, who had pursued her aboard an outward-bound ocean liner, Countess Miachano, a young and beautiful woman, climbed over the vessel's side while it was in the Hudson river in midstream, and tried to escape with her maid in a tugboat. The woman's sensational flight from the steamer, the Kaiser Frederick, at the risk of her life, caused great excitement aboard. Count Paul Alfred Miachano, the husband, followed his wife, and landed safelly on the tugboat. His glee at not being eluded was short-lived, for after a narrow escape from a beating at the hands of a brother-in-law of the countess, the count was pushed ashore at the Battery. Once ashore at Hoboken, where the tug landed her, Countess Miachano, with her maid, took a car and started for Washington. What her plans are she refused to tell. The countess, it is said, is independently wealthy. She married the count three months ago in Paris. The cause for her flight is unknown.

TRANSVAAL NOW A PART OF ENGLAND

Formal Proclamations and Ceremonies At Pretoria Today—Kruger Hopes For Intervention.

Pretoria, Oct. 27.—The Transvaal was today proclaimed a part of the British Empire, the proclamation being attended with impressive ceremonies. The royal standard was hoisted in the main square of the city, the grenadiers presented arms, massed bands played the national anthem, Sir Alfred Miller read the proclamation, and 6,200 troops, representing Great Britian and her colonies, marched past.

Paris, Oct. 27.—President Kruger, according to plans outlined by Dr. Leyds, bases his hope for European intervention in behalf of the Boers on Article III of the international agreement signed at The Hague.

Under provisions of Article III. Dr. Leyds maintains that France can offer to mediate between England and the Transvaal and the Orange Free State without being open to the suspicion or charge of assuming an unfriendly attitude toward England.

The new corporation will be almost double the size of the old one, and also almost double in capitalization the largest of its competitors. The Mississippi Senator Makes a Statement Regarding the Breach of Promise Suit.

Oxford, Miss., Oct. 27.—Senator Sullivan, who was made the defendant in a $50,000 breach of promise suit brought by Mai Lucy Leeton at Washington, D. C., said last night. "This woman has absolutely no claim on me of any kind. While in Washington recently, an atempt was made by her and her abbetors to extort money from me under threat of a suit, such as he has now brought. I declined to entertain such a proposition. The proof will show that it is an attempt to besmirch my character."

BRODHEAD HONORS BOB LA FOLLETTE

GIRLS REPRESENTING STATES GIVE HIM FLOWERS.

Greeted By Thousands of Enthusiastic Supporters At Beloit Last Night—One of the Most Successful Days of the Trip—Candidates Tour Ends at Racine Tonight.

Beloit, Wis., Oct. 27.—One of the most successful days thus far experienced in the La Follette itinerary closed in this city last evening. That Mr. La Follette is a prime favorite in Southern Wisconsin was put in evidence by the large crowds that greeted him wherever the train stopped.

At Brodhead, where the train was scheduled to stop for a ten minute speech from the rear platform, he was taken from the car by the cheering crowd and fairly carried to a large hall in the neighborhood.

Reception at Brodhead.

Fifteen hundred people were packed in between the four walls, and as he stepped in front of the platform to begin an address forty-four girls, little ones between five and seven years of age, who occupied the front seats, representing the states of the Union, fairly deluged him with flowers done up in little bouquets, while the great audience arose and fairly made the auditorium ring with cheers for "Gov. La Follette."

Students Yell at Beloit.

The station at Beloit last evening was resonant with martial strains as the train pulled in at 7:45 o'clock. There was a large crowd of young men on hand with the college yells. Beloit made no attempt at a street display. Mr. La Follette and his associates on the train were taken in carriages, under escort of a drum corps, to Wilson's Opera House where about 2,500 people were crowded, and introduced by Prof. E. G. Smith of Beloit as the next governor of Wisconsin.

City Rang With Cheers.

The vast audience cheered and the college students supplemented the cheers with their college yell. After thanking the people of Beloit for their cordial reception Mr. La Follette took up the issues of the campaign and discussed them at length.

Along the streets as the carriages passed from the station to the Opera House, colored fire was burned and the surging crowd made the city ring with their cheers. In the windows of the Beloit Saving bank a transperancy was displayed with the inscription: "Increase of deposits in 3½ years of McKinley's administation, $356,662.99. Increase in number of depositors, 1,550."

BIGGEST OF GOLD NUGGETS.

New York Assay Office Receives One Weighing 753 Pounds.

New York, Oct. 27.—The biggest nugget of gold ever received at the assay office in Wall street, according to Superintendent Mason, arrived today from a mining company in British Columbia. It was consigned to the New York agents of the Bank of Montreal.

The nugget contained a fraction over 753 pounds of the solid yellow metal, and is valued at $154,000. It came in a solid cone and stood about two feet high. This cone was wrapped in canvas and fitted with an oblong box made of two-inch planks and heavily bound with iron. The gold was held firmly in the box by two wooden wedges driven in from the top.

Two heavy iron rings were set in the sides of the rough box, and through these were fitted wooden bars by which the box was lifted. It required four men to remove it from the truck in the assay office to the scales.

This novel state of affairs grew out of a sermon preached by the Rev. Mr. Titsworth last Sunday evening on "What Newspaper Men Think of Newspapers." Mr. Titsworth indicated his willingness to show the people how a newspaper should be edited, and also made the offer to let the newspaper men choose one of their number to present their views from his pulpit.

FORECAST OF THE BADGER ELECTION

CHAIRMAN BRYANT CLAIMS THE STATE BY 100,000.

Chairman Warden Says It Will Go 15,000 Democratic—Charles F. Pfister Puts McKinley's Plurality At 75,000—Full Republican Delegation to Congress Is Likely.

Milwaukee, Wis., Oct. 27.—The chairmen of the republican and democratic state central committees have issued forecasts on the result of the election on November 6. Chairman Bryant says:

Gen. Bryant's Prediction.

"I firmly belive that Wisconsin is going to give fully as large, and in all probabilities a larger republican majority than four years ago. This is based on authentic reports from every section of the state, and from several different sources, all of which lead me to consider a plurality of 100,000 a conservative estimate. Mr. La Follette's reception everywhere has shown how strong his personal following will be. As for the complexion of the state legislature everything indicates that the republican party will be as strong as two years ago."

Mr. Warden's Claims.

Chairman Warden says:

"From our political poll of the state I feel confident in predicting that the democrats will carry the state for their national and state tickets by a plurality of not less than 15,000 with indications of even a larger plurality as shown by our supplemental reports now being received. This will carry with it the election of at least six congressmen, with a large increase in both houses of the legislature. La Follette will run far behind his ticket. From information now obtainable it seems that he will be at least 10,000 behind McKinley, and less autnentic reports indicate the possibility of his shortage reaching 20,000."

Charles F. Pfister's Forecast.

Speaking of the outcome of the campaign in this state last night Chas. F. Pfister predicted that the state would go republican by 75,000 at the lowest. "I have no doubt," said Mr. Pfister, "that the republican majority in Wisconsin will be 75,000 at the lowest figure."

Important Matter Being Aired Before The Rock County Judge At Darlington.

Judge B. F. Dunwiddie of the circuit court of Rock county is home from Darlington where he has been hearing evidence in the celebrated Shullsburg bank case. Arguments will be renewed next week. The Shullsburg bank case resembles the Edgerton bank case, the difference being that the Shullsburg bank failed through poor business and not fraud. NARROWLY ESCAPE DEATH.

Man and Woman Hang from Bridge While Train Passes.

Homestead, Pa., Oct. 27.—Hanging from her husband's hands over a gulch fifty feet deep, Mrs. William White by a miracle escaped death by drowning, while her husband had an equally narrow escape from being crushed by the brake rods of a train that rolled over him. Mr. and Mrs. White had been visiting in Homestead. They missed their train and started to walk to Blairville. They had to cross the high and long bridge across the Kismin-acks river. When half way over they were overtaken by a freight train. Mr. White dropped down between the ties and held his wife suspended in the air, fifty feet from the water below, while the long train passed over them. Then with great difficulty he lifted her to the bridge again. His coat was caught by the train and was torn, so close was he to the trucks.

Miss Jeanette Shortney is visiting friends in Evansville for a few days.

FOOTBALL SEASON IS AT ITS HEIGHT

Wisconsin to Tackle Grinnell At Madison Today—Schedule of Games to Be Played.

The football season is about at its height and the big college teams are slowly rounding into form. The schedule for today promises several hard battles, though the really big games are still safe in the future awaiting further training by the players, cooler weather, more of an enthusiasm on the part of the public and the approach of the holiday season.

The games of today will be valuable as affording somewhat of a line on the various teams, showing where the greatest improvements have been made and aiding in the picking of players in the games to come.

In the East the greatest interest will center on the contests between Columbia and Yale, Harvard and the Indians and Chicago and Pennsylvania. In the West the work of Michigan and Illinois, Minnesota and North Dakota and Wisconsin and Grinnell will attract the greatest attention.

WILL VOTE UNDER THE OLD CENSUS

Wisconsin Cities Under 5,000 Have Same Status as to Hours of Keeping Polls Open.

Madison, Wis., Oct. 27.—Atty Gen. Hicks has been asked by the election officials in the several cities of the state to give an opinion on the question whether the election booths in those cities shall be open from 5 a. m. to 7 p. m., or for the hours provided for villages and rural precincts.

The law required that the booths in all cities of over 5,000 population shall be open from 5 a. m. to 7 p. m. Several cities in the state were under 5,000 when the last census was taken but they have since passed that figure. They want to know whether they shall operate their booths under the law for cities over 5,000 or under that population.

General Hicks wrote Director Merriam of the census bureau and was informed that the population of Wisconsin cities could not be given officially before the election. This will possibly throw the cities back under the same law that they have operated under before.

Senator Scott Denies It.

Senator Scott of West Virginia was quoted in this morning's papers in saying that trusts were a good thing at a republican dinner last night. Interviewed today he said that it was false. In a private conversation he had remarked that the state of West Virginia was run by a gas trust and that he had helped to produce it. The newspaper men present groosly exaggerated his remark. Richard Croker said he believed that Scott was a second Burchard and he believed the reporters against the "trust followers."

Rally in Crowds About Roosevelt.

New York, Oct. 27.—Theodore Roosevelt marked the political center of New York last night. The republican aspirant for the vice-presidency rhetorically maneuvered in Madison Square garden and at many points in the city at overflow meetings. Strenuous was the night for the rough rider. Surging crowds filled the streets in the vicinity of Madison Square garden, 14,000 persons squeezed into the great hall there and four times as many others jostled and squirmed for good places at the overflow meetings. In all 40,000 or 50,000 persons heard the republican orators during the night.

Many Listen to Bryan.

Newark, N. J., Oct. 27.—William J. Bryan ended his campaign in New Jersey with three monster mass meetings in this city. Mr. Bryan arrived at Newark at 7:15 p. m. This session will also consider education in the university and high school for a business career, the work of the school for dependent children at Sparta and the advisibility of adopting college class room methods in high schools.

LODGE WOMEN WERE SURPRISED.

Degree of Honor Gives Olive Branch People a Very Fine Treat.

The ladies of Laurel lodge No. 2, Degree of Honor, perpetrated a surprise on the members of the Olive Branch Lodge, No. 36, A. O. U. W., last evening. When the members of the lodge met in the lodge room last evening they had had no suspicion of anything out of the ordinary was to take place, but soon found that down stairs there were tables that were simply groaning under the weight of good things that were waiting to be eaten and even then it was found necessary to set the tables twice.

After the supper the balance of the evening was taken up by progressive cinch. The prizes were captured by Mrs. George Tyler and Will Taylor and the booby prize went to Mrs. Ed. Marshall and W. J. Hilt.

HORSE SHOW WILL BE SOCIAL FEATURE

ENTRY LIST IN CHICAGO INCLUDES BEST IN COUNTRY.

More Than 700 Entries Have Been Received—Auction Sale of Boxes Brought $12,000—Ampitheater Will Seat 6,000 and Standing Space For 4,000 More—A Great Event.

Chicago, Oct. 27—Chicago's big horse show opens next week in the splendid new coliseum, Wabash Ave. and 25th street, an ideal building for such a fashionable and attractive exhibition, with an entry list that includes the best horses in the country, the smartest equippages and most correct appointments, and society of Chicago and other cities far and near occupying the boxes during the week.

More than 700 entries have been received, aggregating more than anticipated in the most sanguine calculations, manufacturers of fine rigs report the sale of the most elegant and complete turnouts for this particular event that have ever been ordered in this country and many fashionable functions are being planned in local society for the entertainment of out of town guests. The auction sale of boxes brought high premiums in every instance, selling from $125 to $400, a total of $12,309, the heaviest sale ever known in the west.

According to the arrangement of the interior of the building, which will be in the form of a huge ampitheatre, there will be a seating capacity of 6,000, with promenade and standing space for 4,000, providing accommodations for 10,000 people every afternoon and evening. The tan bark arena will be approximately 85x250 feet, surrounded by a promenade 16 feet wide, on which will border 76 private boxes. Rising back and above these boxes will be the tiers of seats. The galleries are well arranged for such an exhibition, giving a full view of the arena and the entire scene, and this will be a popular vantage point.

The important classes will be apportioned to the different afternoons and evenings in the official program, and the four-in-hands, which will form one of the most picturesque and popular features of the exhibition, will be judged each evening during the show. The entries in this class exceed the number at the New York show last year, and necessitated the addition of two classes to the original list. Several of the most prominent trotting and pacing horses of the country will be on exhibition, and a number of classes are filled by prize winners and high class entries that will provide plenty of close competition.

Of the Entire Vote Cast In the Recent Mock Election 79.6 Per Cent. Was For the Party of "Prosperity At Home and Prestige Abroad."

Madison, Oct. 27—[Specail]—Not 16 to 1, but 5 to 1, is the approximate ratio of the student voters who favor McKinley and Roosevelt to those whose convictions incline them toward the side of Bryan. In the Daily Cardinal election held during the last two days a total of 848 votes were cast, of which McKinley and Roosevelt received 674 and Bryan and Stevenson only 148. Twenty-two votes were cast for the prohibition candidates, Woolley and Metcalf. Two adherents of the social democracy threw their lots in with Debs. The remarbable combination, Bryan and Roosevelt, drew two votes. It was not stated, however, wherein Bryan and Teddy agree so well as to make them good political bedfellows.

Of the entire vote case 79.6 per cent was for the party of "Prosperity at Home and Prestige Abroad," while the party of "Free Silver and Anti Everything," trails behind with 17 per cent.

Some dissatisfaction was expressed because the ballot was confined to the men of the University, and in order to give the young ladies an opportunity of expressing themselves, a straw vote was taken at Ladies' Hall with the following result: McKinley and Roosevelt 72; Bryan and Stevenson 12; a ratio of 6 to 1 in favor of McKinley and Roosevelt.

It therefore appears that the sentiment of this university community is overwhelmingly in favor of McKinley.

Other colleges also favor the republican candidates. At Yale university the vote resulted, 1418 for McKinley and 156 for Bryan. At Cornell the ratio is twenty votes for McKinley to one for Bryan. At Princeton out of eleven hundred votes only forty supported the democratic candidate.

No Night-Shirt Parade.

At the weekly convocation yesterday, Acting-President Birge warned the students against the proposed Hallowe'en night shirt parade which is to be projected for next Wednesday night. A number of anonimous notices have been posted on trees about the university quarter announcing a "Hallowe'en ghost dance." It is believed that the promulgators of the plan are non-university people but the faculty are determined to prevent any student demonstration of this nature.

ANNIVERSARY OF SARGENT POST NO. 20

Last evening was the regular meeting night of the W. H. Sargent Post No. 20, Grand Army of the Republic and they held an open meeting to which the members and their families were invited. The affair was in connection of their nineteenth anniversary, the Post having been in existance nineteen years the twenty-first of this month.

W. J. McIntyre had charge of the exercises during the evening and presided during the program which opened with a song, "Because," by Post Commander E. O. Kimberley. He also sang "Wisconsin" by J. J. Monahan, later in the evening. Mrs. Alice Mason read an original poem which was greatly enjoyed. Miss Beatrice Caldwell rendered a piano solo, "Whispering Winds" so artistically that she was forced to respond to an encore. Miss Sadie Granger then made a hit with a recitation "A Smack In School."

After refreshments had been served Rev. W. A. Hall made a few happy remarks and the evening's pleasure had drawn to a close.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size. Ely Brothers, 56 Warren St., N.Y.

The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation.

MR. BRYAN'S WARNING

"If there is anyone who believes that the gold standard is a good thing, or that it must be maintained, I warn him not to cast his vote for me because I promise him it will not be maintained in this country longer than I am able to get rid of it."—Hon. William Jennings Bryan, Knoxville, Tenn., Sept. 16, 1896.

DO YOU GO TO CHURCH?

If not, why not? That is a leading question, and possibly impertinent, yet in this intelligent age it is well occasionally to deal with plain questions.

Every good citizen admits that churches are a good institution. It would be difficult to find a man or woman in Janesville of ordinary intelligence, who would be willing to live in the city a year if the churches were removed.

The church is the foundation of society and the corner stone of morality, and is so regarded by people who believe in good morals, though they may not express their belief by attendance upon or support of any church.

Why is it that people generally are so indifferent regarding the welfare of a public institution that is conceded to be of such vital importance? Of the 15,000 people living in Janesville it is safe to say that at least 5,000 of them are members of some church, and half as many more have more or less active interest in them, and yet it is true that either one of the large auditoriums would accommodate the combined attendance of Protestant worshippers in the city at either the morning or evening services unless the occasion was extraordinary. Any pleasant Sunday morning will find more young men on the streets of the city, than can be found in all the houses of worship, and any unpleasant Sunday morning will find the churches largely deserted except by the janitor and the choir.

Monday morning, however disagreeable, will find these same deserters on deck for business. Church responsibility, like a mother hubbard gown, is an easy fitting garment.

If the weather is cloudy at ten o'clock it may rain before noon; if it is hot it would be difficult to keep awake; if it is cold there is danger of contracting disease; if the minister is unpopular it is a good plan to commence a game of freeze-out and remind him of the fact; if the music is not quite up to standard stay away and kick about it, possibly it will improve under the treatment.

A great many good meaning people have the faculty of shirking church attendance and church responsibility with the slightest provocation. They pay their pew rent and financial obligations promptly and appear to think that there the obligation ceases, forgetting the important fact that moral support, personal presence, is not unfrequently worth more than money.

It is often said, and very truly too, that "It takes money to run a church." While the church requires money, this is by no means the only requisite. When a church is at its best it is filled with people who feel personal responsibility and a lively interest in its welfare—people who have a love for its ordinances and whose loyalty is expressed by sacrifice if occasion demands. The ideal church is filled with love for humanity, and with a charity that knows no bigotry.

Janesville has a goodly number of churches; they are entitled to vastly better moral support than they receive.

A feeling of personal responsibility is the greatest weakness.

"Do you go to church?"

BRYAN AND TAMMANY.

A correspondent from Green county writes that some of the democratic voters in his section would vote for McKinley if they could be convinced that Bryan was receiving the support of Tammany. It hardly seems possible that any man who has watched the history of daily events should be at a loss to settle this question in his own mind.

The Kansas City convention of July 4 was a democratic convention. Both wings of the party were strongly represented. The gold democrats with such men as Hill and Croker attempted to control the convention, but the Bryan following was too strong for them, and like the Chicago convention of 1896 they won the day.

After Bryan was nominated and all of his issues admitted, including 16 to 1. An effort was made to conciliate Tammany and the vice presidency was tendered to Mr. Hill of New York; a recognized Tammany leader and a bitter enemy of Mr. Hill and his faction, favored the scheme for the reason that he read the handwriting on the wall and he wanted to see Hill buried in the same political grave with Bryan. Mr. Hill however, was too good a politican to put his neck in the noose and very wisely declined the honor.

Mr. Croker was a man of many resources. He discovered before the Kansas City convention adjourned that the only hope for the future of democracy was in an alliance with Bryan and Bryanism, so he went to Mr. Bryan with the proposition to give him the support of Tammany under certain conditions. A compact was made and Mr. Croker went home and went to work. The conditions provide that if Mr. Bryan is elected, he will not be a candidate for a second term, and if defeated he is to retire to private life and cease to annoy simon pure democracy by future political aspirations.

Mr. Croker expects his defeat and with it the defeat of Bryanism and all its crazy hallucinations, but Mr. Croker will not be charged with the calamity and in carrying out his part of the compact he will be in a position to assume the position of the leader of reclaimed democracy and invite back to the fold the enthusiastic ex-followers of Bryan.

Mr. Hill nursed his grievances for a time but his Tammany interests were too closely identified with Mr. Croker's to long withstand the pressure and he soon joined forces and the two are working together for the future old-time democracy. These gentlemen are both gold democrats and have no more use for Mr. Bryan's heresies than have thousands of their political faith. They would regard the election of Mr. Bryan as a great calamity to the country and if they believed that their work would elect him they would be as silent during the campaign as is Grover Cleveland.

Mr. Croker and Mr. Hill are looking for Croker, Hill & Company. Mr. Bryan is the company and he will be an extremely silent partner after Nov. 6, with nothing to show for his investment in the firm but a cracked voice and rapidly vanishing notoriety.

Caught at Dying Babe's Side.

Cincinnati, O., Oct. 27.—At the bedside of his dying babe, Village Clerk Bennett Carter of Madisonville, charged with a shortage in his accounts, and who disappeared a few days ago, was arrested at midnight. Until then he had successfully evaded officers. They took in the situation at a glance and agreed to remain at the house to enable Carter to be with the child. At 7 o'clock in the morning the little life went out. After the death an officer took Carter to Mayor Dittgen's office, where he admitted his guilt.

Reprieved at the Gallows.

Columbia, S. C., Oct. 27.—The life of Major Green, a negro, convicted of the murder of H. H. Pauling in Orangeburg county, was given him at the foot of the gallows. Green and Warby Wine were about to be hanged for the same crime. Knowing he had no hope, Wine made an affidavit, addressing it to the governor, in which he swore that Green was innocent, taking on himself the whole burden of the killing. The governor commuted Green's sentence to life imprisonment, pending further investigation. Wine was hanged.

Brings Destitute Miners.

Seattle, Wash., Oct. 27.—The transport Lawton has arrived from Nome with 630 passengers brought out free of expense by the government after taking oath that they were in destitute circumstances and unable to pay passage to eastern homes. An effort is being made to absorb these unfortunates, who are able and willing to work, in mining or logging camps and sawmills. Many express a willingness to remain on the Pacific coast, while others prefer returning to their eastern homes.

Cable Wreck Hurts Nine.

Chicago, Oct. 27.—A cable train caught on the spur of a defective switch about 100 feet south of Madison street on State street, causing the first trailer and grip to come together with terrific impact. The trailer leaped upon the rear end of the grip car, and an instant later the shrieks and cries of injured passengers startled the throng of people on the street. Nine people were hurt, four seriously, and many others sustained slight cuts and bruises by the shock.

Capt. Page Dies of the Fever.

Havana, Oct. 27.—Captain Page of the Porto Rico infantry died of yellow fever in Las Animas hospital. He came to Cuba with Major-General Wade's evacuation commission. On the announcement of the death of Captain Page business was suspended and continued so until after the funeral, which was held at 9 o'clock to-day. Captain Page had resided at the quartermaster's palace, where Major Cartright and Major Peterson also contracted the yellow fever.

Steamer Sinks a Barge.

Detroit, Mich., Oct. 27.—The steamer Wilbur of the Lehigh Steamship company collided with the tow barge Martha in the channel in Lake St. Clair, off Grosse point, and sank the Martha. The barge was in tow of the steamer Mariposa. The Wilbur is badly damaged and is lying at dry dock here. The steam barge A. A. Parker and consort, B. W. Parker, ran aground in avoiding the wreck. The sunken barge was loaded with iron ore. No lives were lost.

EXAMINATIONS FOR THE HIGH SCHOOL

THE PRINCIPALS AND COUNTY TEACHERS IN SESSION.

It Is Claimed That Some of the Country Teachers Do Not Give a Severe Enough Test For the High School Admission—Committee Will Be Appointed.

A conference of high school teachers and town teachers is in progress this afternon in the high school building. It was called by Supt. David Throne of Afton to discuss the question of the country examination for diplomas for entering high schools.

As it is now it is claimed by some principals that some of the country teachers do not give a sufficiently severe test and that the pupils consequently get their diplomas too cheaply.

It is not so apparent, however, around Janesville as it is in some other districts of the county, Supt. Mayne saying that of the country pupils admitted here on their country school diplomas, only one or two have been found to be wanting in knowledge necessary to take up the high school work.

Some of the schools have not been so fortunate though and so this conference was caled to find some way to improve upon the present plan. In all liklihood a committee will be appointed to decide the matter and given further time to report.

It is quite a serious question as it involves the standing of the high schools throughout the county. The principals and teachers present are: County Supt. W. M. Ross of Janesville; County Supt. David Throne, Afton; City Supt. D. D. Mayne, Janesville; Principals R. E. Loveland, Clinton; J. T. Healy, Milton Junction; A. G. Henry, Afton; J. C. Howarth, Town of Turtle; G. T. Rogers, Town of Clinton; Mable Boyd, Lima; Mary Rye, Bradford; Inez Arnold, La Prairie.

COSTLY DWELLINGS NOW BEING BUILT

Fred H. Koeblin and I. F. Wortendyke Are the Owners—Many Homes Being Planned.

A number of desirable residences are now in the course of construction on the East side. On Prospect avenue near the corner of Milwaukee avenue Fred H. Koeblin is building a handsome modern house that will be a credit to this fast growing section of the city. Its cost will be about $2,500.

Masons now have well under way the foundation for a spacious dwelling to be erected by J. F. Wortendyke on South Third street, opposite the Jefferson school. Present indications point to considerable building in the spring in the direction of Forest Park.

The small boy filled to overflowing with mischief will be out in full force looking for trouble. The indications are that he will get it. Chief of Police Hogan says arrests will follow when the case warrants it. The police fully realize that the small boy's desire will be to plant bad smelling cabbage in the parlors of peaceful residents and will govern themselves accordingly.

HOLD SERVICE OVER BODY LONG BURIED

Unique Funeral Ceremony Will Be Held in This City Tomorrow Afternoon at 2 O'clock.

Although the body of the late Claude Ogborn was laid to rest in Oak Hill cemetery several days ago the funeral service will be held in the Mary Kimball mission at 2 o'clock tomorrow afternoon on South Jackson street.

Rev. Mary Kimball will officiate and the services will proceed as if the corpse was present.

This service is not a common one in this section of the state and is the first of the kind to be held in Janesville.

Floral offerings will be brought to the church and the altar will be draped in lack and white. Mr. Ogborn died recently at the North Main street home of his parents as the result of a broken back received by a fall from a telegraph pole in Indiana.

It was the wish of Mr. Ogborne and his parents that Rev. Mary Kimball should conduct the service at his death. Rev. Kimball at the time was in Fond du Lac nursing a sick relative who was near death's door with typhoid fever.

MILKINE BUSINESS DOUBLED YEARLY

Industry That Moved From Janesville to Elgin Enjoys Great Prosperity.

When the citizens of Janesville allowed the Milkine factory to move from this city to Elgin, Ill., some time ago they little realized what a rapidly growing industry was leaving. The factory started here in the building now occupied by S. B. Heddles in the Spring Brook addition.

R. S. Hetherington, secretary of the company writes the editor of the Elgin News as follows:

"We are very well satisfied with our business the past four years. During this period our output has more than doubled each year, and for several weeks for the past twelve months we had to run our factory night and day to keep up with our orders. We are now shipping not only all over the United States, but also to Canada, England and the Philippines."

JENKINS L. JONES ON IMPERIALISM

Former Pastor Of All Souls Church Here Is Preaching Politics On Sunday.

Rev. Jenkins Lloyd Jones, former pastor of All Souls church of this city was in the city today. He is considered to be one of the most able divine in Chicago. He is devoting a portion of his time these days talking politics.

Rev. Jones recently delivered an address on Imperialism which was published in Unity and when it was read by some of his Rockford admirers of the democratic persuasion they regarded it as such a good thing that they set about with the idea of having the reverend gentleman deliver the address in the Forest City. They were successful and Dr. Jones will deliver the address at the Opera House there the Sunday evening before election.

DEMOCRATIC FLAGS WERE SCARCE HERE

Only Flag That Was to Be Seen Was in Honor of the Ideal Weather.

No resident of Janesville would realize that this is democratic flag day. Not even was there a democrat in the Bower city who was willing to testify to this fact. The flags displayed, if any, must have been in the resident portion of the town for Old Glory is not to be seen in the business section of the city.

At the East Milwaukee street home of Dr. James Mills Old Glory floated to the breeze from the top of the large pole erected there. A telephone message of inquiry brought the following: "I don't know anything about any democratic flag day. Old Glory is being displayed on account of the ideal weather."

The chairman of the committee said that they are reserving all their forces until the night before election when the democrats hold their one grand rally.

QUEER FATALITY IN FOOTBALL ANNALS

There have been many fatalities in the annals of football, but it is very seldom that, as a result of the game, a cow should be the victim. Yesterday afternoon a number of High school students were practicing near the home of Mrs. Rosa Orr, who resides at 11 Riverside street. The cow was staked out in the lot, and it is claimed that the ball struck her in the forehead and frightened her. She ran for some distance, and then fell, breaking her neck, being brought to a sudden stop by the rope she was tied with.

When the players saw what had happened, they left very hurriedly, without stopping to explain or apologize. Mrs. Orr is a cloth inspector at the lower cotton mill, and is a hard working woman, and not in a position where she can afford to lose so valuable an animal.

Mr. and Mrs. Edward Reeder, of St. Cloud, Minn., who have been visiting Mr. and Mrs. C. C. Searles for the past few days, left yesterday for Evansville.

TIRE OF THE LONG DELAY.

Washington Officials Disgusted with the Diplomats.

PEACE NEGOTIATIONS SLOW.

Desire for Personal Revenge by the Ministers Retards Negotiations—China Willing to Decapitate All Rebels Mentioned by Powers.

Washington, D. C., Oct. 27.—There can be no longer any concealment of the fact that the American government is thoroughly dissatisfied with the attitude displayed by the diplomatic corps at Pekin toward the negotiations for peace, and particularly in regard to the punitive measures which the corps deems necessary to institute against Chinese who participated in the recent anti-foreign uprising. To say that the authorities here are disgusted with the Pekin diplomats would not be expressing the matter too strongly. The feeling of dissatisfaction with the cry of reprisals set up by the official representatives of the powers who suffered the terrors of two months' siege of their legations has been steadily growing, and the receipt within the last few days of detailed reports of what the ministers desire has thrown new light on the character of their demands, and has served to impress the Washington officials even more unfavorably.

It is claimed here that the ministers at Pekin are the principal obstacles to the arrangement of peace terms. The assertion is made that they have pursued a policy which leads to the conclusion that they are more anxious to secure revenge for the wrongs they have suffered personally than to bring about an arrangement which will restore normal conditions in China and remove the menace of the Chinese question from the civilized world. The main allegation against the diplomats is that they have failed to agree on any definite list of persons to be punished for participation in the anti-foreign crusade. The Chinese government, officials here assert, has been brought to its knees, and is willing to decapitate every Chinese, no matter what his position, who is named by the powers for that punishment.

Suicide by Gold Leaf.

Washington, D. C., Oct. 27.—The Chinese minister has received a dispatch stating that Kang-Yi, a member of the cabinet with Yung-Lu and one of the intense anti-foreign leaders whose punishment was demanded by the powers, died of illness on the 18th inst.; also that Yu-Hsien, the late governor of Shansi, who is said to have been responsible for the death of many missionaries, has committed suicide by swallowing gold leaf. Minister Wu regards this act as the result of the disfavor which the high officials have received from the throne. The death of Kang-Yi is an important event, as he was one of the ringleaders whose punishment was demanded by the powers. He held the position of assistant grand secretary and president of the civil board and also was one of the six Chinese statesmen making up the privy council of cabinet, which is the body nearest the throne.

Allies Are at Paotingfu.

Tientsin, Oct. 27.—A runner who left Paotingfu Oct. 23 and arrived here today reports that the allies are encamped there, the British contingent being outside the walls of the city. The situation is unchanged. Looting is forbidden and all supplies used by the allies are purchased.

The Green family of missionaries are safe, except a three-year-old girl, who died Oct. 10. Mr. Green is seriously ill.

Chinese Refugees Arrive.

Seattle, Wash., Oct. 27.—The Nippon Yusen Kaisha liner Kinshu Maru has arrived here from Japan with the Rev. and Mrs. V. Reinus and the Rev. and Mrs. S. Bergstrom and two children, missionary refugees from North China, aboard.

MYSTERY SOLVED IN GRAVE

Body of Miss Johns, Who Disappeared, Is Found.

COURTED BY MARRIED MAN.

Girl Dies at a Hospital and the Railroader with Whom She Had Kept Company Allows Her to Be Buried Without Notifying Searchers.

Chicago, Oct. 27.—After a lapse of nearly three months the mystery connected with the disappearance of pretty Mary Johns has at last been solved. While detectives and relatives were scouring the city for some clew to her whereabouts, the body of the unfortunate girl was buried in Mount Greenwood under an assumed name, and all trace of her apparently lost forever. Mary Johns, who was a handsome young woman of 20 years, left her home in Van Wert, Ohio, last February, and came to this city to pay a visit to her aunt, Mrs. Mary A. Fritter, of 840 Garfield boulevard. After deciding to make her future residence in Chicago the girl secured a situation in Kries, Hubbard & Company's umbrella factory on Fifth avenue, and all went well until she chanced to meet John Allman, who is in the service of the Fort Wayne and Chicago railroad.

Courted by Married Man.

Allman began to pay devoted attention to the country girl, and it is believed that she cherished a hope of becoming his wife. The relations between the pair soon became known to Mrs. Fritter and the indignant aunt warned the girl that Allman already had a wife living, as well as another who had procured a divorce from him. Although shocked at this revelation, the girl continued to meet Allman clandestinely. On Aug. 22 the young woman left her aunt's house as usual, but gave up her situation in the umbrella works without asking for a week's salary that was due her, and without notifying her relatives of her intention. That was the last time Mrs. Fritter ever saw her niece alive.

Police Fail to Find Her.

As time passed and no word was received from the absent girl, an investigation was made by the police, but no trace of her was discovered, and the mystery was allowed to remain unsolved. A short time ago Mary's cousin, Ida Brown, met Allman by appointment and threatened him with criminal prosecution unless he revealed the truth regarding the girl's sudden disappearance. Allman, it is alleged, then confessed that Mary was dead and had been buried at Mount Greenwood Aug. 27, under the name of his wife, Mrs. John Allman. According to his story the unfortunate girl left her aunt's home in company with Allman and went with him to his home, 5743 Fifth avenue, where she was known as his sister. On Aug. 23 the girl was taken to the Englewood Union Hospital, where she died three days later. Early the next morning, the body was buried without the fact becoming known either to her friends or the police, who had been searching for her.

Truth Wrung from Allman.

Allman remained uncommunicative and denied all knowledge of the girl until Miss Brown wrung the truth from him. Yesterday the girl's father, E. W. Johns, and her brother, William Johns, arrived in the city from their Ohio home, and laid the case before Captain Colleran att he Central station. Detectives were detailed to make a thorough investigation and to trace any evidence of a crime having been committed. Meanwhile Allman denies any criminality, but says that he is now even with the girl's aunt for warning Mary against him. The body will be disinterred and after a post-mortem examination, will be taken back to Van Wert to lie beside those who knew and loved her best.

Plan to Be Rid of Saloons.

Laporte, Ind., Oct. 27.—The temperance people of Bourbon, a town of 1,500 in Marshall county, have become parties to a novel plan to rid the place of saloons. As the number of remonstrances is based on the vote for secretary of state, the temperance people of the township have decided not to vote for that particular office at the next election. This will make it possible for the circulators of remonstrances to secure the required number of names. The same plan is being adopted in other communities in this section of the state.

New England Women

Have an Abiding Faith in Lydia E. Pinkham's Vegetable Compound.

After years of struggle to attain and merit public confidence, with a firm and steadfast belief that some day others would recognize in us the truth, good faith, and honesty of purpose which we know we possess, what a genuine satisfaction it is to succeed, and to realize the uplifting influence of the merited confidence of a vast army of our fellow beings.

Thus stands the Pinkham name in New England, and all over America, and nowhere is the faith in Lydia E. Pinkham's Vegetable Compound greater than in New England, its home. Merit, and merit alone, can gain this.

ORGANIC INFLAMMATION.

"DEAR MRS. PINKHAM:—I was troubled very badly with inflammation of the bladder, was sick in bed with it. I had two doctors, but they did me no good. A friend gave me Lydia E. Pinkham's Vegetable Compound, and it helped me. I have now taken three bottles of it, and I am entirely cured. It is a God-send to any woman, and I would recommend it to any one suffering as I was. I think, if most of the women would take more of your medicine instead of going to the doctors, they would be better off. The Compound has also cured my husband of kidney trouble."
MRS. MABEL GOOKIN,
Box 160. Mechanic Falls, Maine.

NERVOUS PROSTRATION.

"For two years I suffered from nervous prostration, the result of female weakness. I had leucorrhoea very badly, and at time of menstruation would be obliged to go to bed. Also suffered with headaches, pain across back, and in lower part of abdomen. I was so discouraged. I had read of Lydia E. Pinkham's Compound, and concluded to give it a trial. I wrote to Mrs. Pinkham, and received a very nice letter in return. I began at once the use of her Vegetable Compound and Blood Purifier, and am now feeling splendid. I have no more pain at monthly periods, can do my own work, and have gained ten pounds. I would not be without your Vegetable Compound. It is a splendid medicine. I am very thankful for what it has done for me."—MRS. J. W., J., 76 Carolina Ave., Jamaica Plain, Mass.

PAINFUL PERIODS.

"I cannot help but feel that it is my duty to do something in regard to recommending your wonderful medicine. I must say it is the grandest medicine on earth, and have advised a great many suffering with female troubles to take it. I tell people I wish I could go on the platform and lecture on it.

"My trouble was painful menstruation. The suffering I endured pen cannot describe. I was treated by one of our most prominent physicians here for five months, and found myself getting worse instead of better. At the end of the fifth month he told me he had done all he could for me, and that I had better go to the hospital.

"My sister advised me to try your Vegetable Compound, as it cured her of backache. I did so, and took it faithfully, and am now cured of my trouble, and in perfect health, many thanks to your medicine. I cannot praise it enough, and would recommend it to all who suffer from any female weakness."—MRS. H. S. BALL, 461 Orchard St., New Haven, Conn.

$5000 REWARD.—We have deposited with the National City Bank of Lynn, $5000, which will be paid to any person who can find that the above testimonial letters are not genuine, or were published before obtaining the writer's special permission.
LYDIA E. PINKHAM MEDICINE CO.

If Lydia E. Pinkham's Vegetable Compound will cure these women—why not you—you cannot tell until you try it. If you are ill, and really want to get well, commence its use at once, and do not let any drug clerk persuade you that he has something of his own which is better, for that is absurd. Ask him to produce the evidence we do.

DR. PIERCE'S GOLDEN MEDICAL DISCOVERY

"I have been thinking of writing to you for some time," writes Mrs. W. D. Benson, of Maxton, Robeson Co., N. C., "to let you know what a wonderful thing Dr. Pierce's Golden Medical Discovery did for my little boy. He was taken with indigestion when he was a year and a half old, and he was under the doctor's treatment for five long years. We spent all we made for doctor's bills, and it did no good. He could not eat anything only a little milk and cracker, and sometimes even this would make him sick, and he got very weak; could not sit up all day, and I gave up all hope of his ever getting any better. Looking over one of your books I noticed Dr. Pierce's Golden Medical Discovery recommended for indigestion. We bought some and gave to our boy. Two bottles of Dr. Pierce's Golden Medical Discovery cured him. He is well as can be, and can eat anything that he wants and it does not hurt him. He has not been sick a day since, and it has been three years since he took your medicine. I pray that God will always bless you and your medicine."

WINE OF CARDUI

HEALTHY OLD AGE.

LARUE, BENTON CO. ARK., Aug. 4.
I am 40 years old and have been suffering with Change of Life. I had flooding spells so bad that none thought I could live. My husband got me Wine of Cardui and it saved my life. I am like another person since taking it.
MRS. E. B. TOWNSEND.

Wine of Cardui

It is the devout wish of nearly all people to live to a ripe old age. None of us want to die young. This universal desire can be realized if care be taken of the health in early and middle life. A little precaution then will add many years to our existence. Death can be kept away a long time. Happy, healthy old age will be the lot of the woman who promptly corrects the ailments which afflict her sex. In youth, Wine of Cardui will take the female child safely over the dividing line between girlhood and womanhood. As a wife she needs it to help her through the trials of pregnancy and childbirth with as little discomfort as possible. At the Change of Life it will help her over the dangerous place that appears in her pathway between 40 and 50. Then will come many years of truly blissful existence. She will grow old slowly and gracefully. To the last she will preserve that charm and beauty which are always characteristic of perfectly healthy grandmothers. It is for women alone to decide whether they will be healthy or sick. The remedy for their sickness is close at hand.

Hundreds of Janesville Citizens Can Tell You All About It.

Home endorsement, the public expression of Janesville people, should be evidence beyond dispute for every Janesville reader. Surely the experience of friends and neighbors, cheerfully given by them, will carry more weight than the utterances of strangers residing in far away places.

Read the following:

Mrs. S. L Belden. of 64 S. River St. says: "During two or three years I suffered most of the time with a terrible dragging down pain in my back just over the kidneys. It was very trying when I was at work, and if I did any lifting my bladder became effected, causing me considerable annoyance. I also had attacks of headaches, which seemed like congestion in the top and back of my head. When I read about Doan's Kidney Pills I did not have any too much confidence in them, but my daughter got a box at the People's Drug Co's. store and persuaded me to use them. They took right hold and made a wonderful change in my condition. I hardly realized how bad I was until Doan's Kidney Pills brought me relief from the afflictions"

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
